

Greetings!!

Thank you for the interest that you've shown in our **IWC 2019 Woodstock, Cape Town** project. As you know God has been doing wonderful things with and among the youth of our beautiful country and it is with great excitement and anticipation that we wait to see what He will be doing again this year.

Date: 22 - 29 June 2019 (Note our departure date is on a Saturday this year)

Age: 15 – 25 [It is understood that all participants are saved and have an active and living relationship with the Lord]

Cost: Information is available on request.

Cut-off date for registration is **1 March 2019** with a non-refundable registration fee of **R500.00 or \$50** required. This will secure your youth members' places for the project. The balance of the fees must be paid in by no later than **1 June 2019**.

What to bring: Bedding (sleeping bag, extra blanket, pillow), WARM clothing, hot water bottles, Bible, notepad, Medical Aid Card, I.D document and/or Certified copy. (Eating utensils, plates and bowls will be provided).

Keep in mind that it will be winter around the time of the project, therefore, you should expect cold, wet and windy weather. We will be **accommodated at Erinville Hostel, Rustenberg Girls** which has single sleeper bunks with mattresses in semi-private rooms. Sleeping bags would be ideal. There is no internal heating in the building so bring an extra blanket for the evenings.

What not to bring: CELLPHONES - these can become a major distraction for participants on the project. Parents are welcome to contact IWCSA leaders directly to receive updates or in case of emergencies [details below]. They can also maintain contact through the Facebook group. A dedicated media team will be shooting video and taking pictures, which will be made available to participants after the project. **DO NOT BRING ANYTHING ELSE UNNECESSARY FOR THE PROJECT** – illegal substances, weapons, etc.

Please feel free to contact any of the IWC leaders for additional information that you may require. We are truly excited for what God is going to be doing through our young people in South Africa and count it a privilege to be able to partner with you in God's mission. God bless!

Walter Thomas - IWC SA Director & Project Coordinator
